Frequently Asked Questions

What is the Virtual Summit?

The 2021 DANTE Virtual Summit is a free, online, on-demand educational event for young adults who are passionate about tobacco prevention. The virtual event officially begins with a welcome from our emcee, Patrick ‘Pacman’ Perez, then you will dive into pre-recorded sessions from Keynote speaker, [La Tanisha Wright](#), a former Big Tobacco Marketing Executive turned passionate, internationally known and nationally acclaimed tobacco control advocate. Then, learn “How to Plan a Virtual Event”. Oh, and don’t forget about the fun dance breaks! In addition to the on-demand portion, there will also be live Zoom sessions to participate in!

When does the event start and conclude?

The Summit is available on-demand from Friday, March 19th – Monday, April 5, 2021. You may complete the full event in one day or break it up over a couple of days. Expect to spend around 1.5 hours to complete all sessions and activities.

It’s free, do I even need to register?
